The WRASAP Network Quarterly Meeting is a space for stakeholders in the western region to build connections and collaboration to assist farmers, ranchers, and other agriculture-related workers in times of stress. We believe in working together to cultivate behavioral/mental health awareness and rural resilience for all agricultural producers, their families, and communities.

Thursday, January 13, 2022
1:00PM PT | 2:00 PM MT
3:00PM CT | 4:00PM ET
